Add a Twist to the Holidays, Plan a MashUp at your Local Bookstore

"Mystery, Magic and Faraway places are just a book away!"
--Fossil Mountain Publishing

DALLAS - Nov. 15, 2018 - *PRLog* -- This holiday season give your tot to teen an adventure they can enjoy

for a lifetime! Your tot can dash away above rooftops with Dasher and Dancer ... "to the top of the porch, to the top of the wall." Your teen might prefer a more haunting escape and choose to join Ebenezer Scrooge as he is visited by the Ghosts of Christmas, "Bah! Humbug!" Your tween, not quite a teen, might like to sneak a ride on the Polar Express, "... sometimes the most real things in the world are the things we can't see." Mystery, magic and faraway places are just a book away!

Add a twist to the holidays, plan a MashUp! Turn your holiday trip to your local bookstore into an afternoon party or event. Your little ballerina might like a pink party with tutus and tiaras. Invited guests could be asked to dress as Sugar Plum Fairies. Or maybe your little guy and his friends might like to don a cape like their favorite superhero. With planning, you could organize a scavenger hunt, *of books*, for your teen and his/her friends. In the spirit of the holidays, you could give away books as prizes for the winners or as gifts to the guests. Be sure to contact your local bookstore for their availability. Also, many bookstores will have planned events during the holiday season, so be sure to check their schedule.

For your holiday entertainment, Fossil Mountain Publishing presents, ***Deep in the Black Forest***, the first installment in the series, ***Prince Dustin and Clara***. As Clara and Prince Dustin race to escape the wrath of Egon, they encounter one adventure after another. In the book, Daniel Lee Nicholson was sure to include the allure, mystery, and enchantment of the Black Forest, Germany. In the story, Nicholson introduces the characters: *Bronson,* a skating beaver; and a white shepherd dog called, *The General*. Nicholson's tale is both fantasy and adventure to appeal to boys and girls. It is available now at your favorite online and retail bookseller.

About Fossil Mountain Publishing:

The mission of Fossil Mountain Publishing LLC is to captivate and entertain; engage and inspire young readers and readers of all ages by publishing family-oriented books that promote reading and literature; technology and the arts. We strive to develop applications and to incorporate technology into our platforms so that our readers can fully immerse themselves in great stories.
